## Minisink Valley Central School District

P.O. Box 217, Route 6, Slate Hill, NY 10973-0217 • Phone: 845-355-5110 Fax: 845-355-5119

March 27, 2017

Dear Parents/Guardians:

The district will soon begin completing the last portion of renovation work approved by voters in 2008. Beginning April 1<sup>st</sup> and continuing throughout the week of Spring Recess, there will be paving, sidewalk and curbing work being done along the elementary, intermediate, and high school entrances. During that time, the Route 6 entrance to the elementary and intermediate schools will be closed to traffic.

Our goal is to maximize the safety of our students and school community members with the least degree of disruption to daily operations. Your help is needed to minimize congestion and keep our buses running on time. **From Monday, April 3, through Friday, April 7, we ask parents and guardians of middle school students to please use only the high school entrance during drop off and pick up times.**

While this work is scheduled to be completed by April 18<sup>th</sup>, weather conditions may require adjustments to the construction dates; therefore, we ask that you refer to our website, [www.minisink.com](http://www.minisink.com), for any updates.

Your patience and cooperation is greatly appreciated during the construction. Thank you for your continued support of the Minisink Valley Central School District and for your understanding.

Sincerely,

Brian C. Monahan  
Superintendent
